CUSTOM CUT

At Quality Foods, fresh cut to order beef, pork and chicken is our specialty!

Ask your sales consultant about our custom cut steak, pork and chicken program.

WHEN ONLY THE BEST WILL DO!

NEW

Quality Foods' new Multi-Vac machine makes perfect seals in the packaging process for improved product security and wholesomeness.

The new packaging offers an easy-open corner for greater control when the package is opened.

As with all our products and services, we strive to bring you the best: Our state-of-the-art USDA cutting room facilities and cutting edge equipment attest to our commitment!

Count on Quality Food Company to offer you a consistent, top-quality and price-competitive product every day!

Our highly-skilled staff of purchasing managers, meat cutters, drivers and sales consultants provide the level of superior service customers expect

from a premier meat purveyor.
